Fox nut farming, also known as Makhana cultivation, involves growing the Euryale Fox plant, which produces highly nutritious and medicinally valuable seeds known as fox nuts or makhanas. India is a leading producer of makhana, with Bihar contributing approximately 90% of the total yield, followed by Uttar Pradesh and parts of Assam.

Supplying High- Quality Makhana

Global Gale's core objective is to establish ourselves firmly as a leader in the exports market by exporting the finest quality of Makhana to consumers across the world. To achieve this objective we are committed to put in all required efforts and consequently emerge as a global leader in the field of exports.

FAQ about Makhana

What is Makhana?

Makhana, also known as fox nuts or lotus seeds, is a healthy, crunchy snack commonly used in various cuisines and health products.

What are the benefits of exporting Makhana?

High demand globally for organic and healthy snacks.

Makhana is rich in protein, fiber, and essential minerals, making it ideal for health-conscious consumers.

Is Makhana an organic product?

Yes, Global Gale specializes in exporting high-quality, organic Makhana sourced from trusted farms.

What packaging options are available for export?

Makhana can be packaged in bulk, retail-ready packs, or customized packaging as per the client's requirements.

What is the shelf life of Makhana?

When stored in a cool, dry place in airtight packaging, Makhana can last up to 8-12 months.

How do I place an order for Makhana?

Contact us at info@globalgale.com or +91 9426506500 to discuss your export requirements, including quantity, packaging, and delivery terms.

What Sets Us Apart?

Superior Quality & Sourcing

We source our Makhana (Fox Nuts) directly from the finest cultivators, ensuring premium quality, freshness, and high nutritional value. Our products undergo rigorous quality control to meet international export standards.

Sustainable & Chemical-Free Processing

Our Makhana is 100% natural, free from artificial additives, preservatives, and harmful chemicals. We prioritize eco-friendly harvesting and packaging to promote sustainability while delivering a healthy, guilt-free snack.

Reliable Global Export & Bulk Supply

With a strong logistics network and seamless export services, we ensure timely delivery across international markets. Whether for wholesale, private labeling, or retail distribution, we provide customized bulk solutions to meet your business needs efficiently.
